OFFICIAL INVITATION • VIRTUAL EDITION

USC Marshall Basketball Analytics Competition

Organized by the **University of Southern California, Marshall School of Business**
Supported by the **MS in Business Analytics (MSBA) Program**

The **USC Marshall School of Business** is proud to host the inaugural **2027 Basketball Analytics Competition**, a basketball analytics competition with data from the NBA, to allow students to analyze game and player strategy and make actionable recommendations directly to a panel of experts.

TEAM REGISTRATION DEADLINE	KICKOFF & LIVE WEBINAR	LIVE FINALS BROADCAST
Dec 18, 2026	**Jan 09, 2027**	**Feb 20, 2027**
School & Roster Lock	Case & Dataset Release	9:00 – 11:00 AM EST (Zoom/YouTube)

Eligibility & Application

- **Who is Eligible to Apply:** Students currently enrolled in graduate programs with a focus on **business, entertainment, sports, and analytics** (e.g., MSBA, MBA, Data Science, Quantitative MS/PhD).
- **Team Structure:** Teams of **4 to 5 graduate students** (each invited school may nominate up to 2 teams).
- **Cost:** 100% Free Participation
- **School Application:** Submit institutional interest via the link below:

Expression of Interest in Participation (Link: xxx) →

Process & Deliverables

- **Roster Collection & Launch:** The organizers will reach out to registered programs to request confirmed names of team members and share the date of competition launch and requirements in advance.
- **Deliverables:** A **15-Slide Presentation Deck (PDF)** and a **Reproducible GitHub Repository**.
- **Finalists Selection:** Blind faculty review selects the top 3–5 teams (announced **Feb 6, 2027**) to present live.
- **Judging Panel:** The final evaluation panel will involve leading **analytics professionals from the sports industry (NBA)**.

2027 Event is Virtual. To ensure a viable scale for the event, we request schools to register their interest using the form above. Organizers will follow up with a registration link for schools to submit their rosters and confirm participation.

Note for Students: Students should reach out to their institution (faculty or program directors) and have them register for the event.
